PROFESSIONAL PROFILE

Marketing professional with a Master's degree in Digital Marketing and experience in strategy, corporate communications and digital channel management across B2B and B2C environments. I enjoy seeing ideas through from planning to execution, combining creativity, strategic thinking and a willingness to learn. Beyond my professional experience, my involvement in voluntary organisations has strengthened my teamwork and leadership skills, as well as my ability to embrace new challenges.

PROFESSIONAL EXPERIENCE

M N Ramos Ferreira Engenharia, SA **July/2023 - Present**

Marketing Officer | April/2024 - Present

Marketing Intern | July/2023 - April/2024

- Review and implementation of the 2023–2025 three-year Strategic Marketing Plan, followed by involvement in the development, review and implementation of the 2026–2028 plan, including market and competitor analysis and the structuring of the Communications Plan for a B2B organisation operating in 16 countries.
- Management and optimisation of the corporate website using SEO practices and GA4 performance analysis, recording up to a 133% increase in total monthly sessions; restructuring a portfolio of over 360 projects, publishing around 24 new projects, writing 21 news articles and creating two corporate pages.
- Management of the Group's social media communications, with over 140 posts generating more than 75,000 impressions, 10,000 clicks and 200,000 views.
- Editorial design, layout and pagination of four reports.
- Development of recruitment marketing and employer branding communications for over 30 vacancies, including graphic design, copywriting, multichannel promotion and job postings, alongside the collection and organisation of applications through the Group's internal recruitment platform.
- Development of an events plan, direct organisation of six corporate events, coordination of two social responsibility initiatives and support for six internal and industry events.

Luís Sousa Lopes Arquitetura Entretenimento **May/2022 - December/2022**

Events Assistant

- Logistical and operational preparation of approximately eight corporate, social and seasonal events, with estimated audiences of over 200 attendees, including venue organisation, structure assembly and occasional team coordination.

GainStation Personal Training Center **March/2021 - January/2022**

Marketing Officer | June/2021 - January/2022

Marketing Intern (University Placement) | March/2021 - June/2021

- Management of Instagram content strategy and communications, helping grow the community from just over 400 to approximately 1,000 followers through editorial planning, graphic design and copywriting.
- Contribution to the Open Week reopening campaign, which attracted 36 participants and secured four new clients through digital marketing activities.
- Production of content and promotional campaigns, including a reopening video with 17,000 views and 35,000 impressions, later taking independent responsibility for the company's marketing activities.
